

Become a Trained Nudura Installer.

Building with Nudura Insulated Concrete Forms gives you the opportunity to build faster and more efficient, while offering your clients an eco-friendly structure with substantial benefits that contribute to long-term energy savings. Our comprehensive, one day installation training course includes hands on training and covers basic Nudura installation techniques to provide you with the knowledge you need to get the job done with efficiency and confidence. Cost of course is \$150 which includes breakfast, lunch and an installation manual.
